## Heavy Demolition / 22 Structures at USCG Cape Hatteras Buxton, NC

### Removal of an entire Coast Guard Base Station & Restoration of Property

## Heavy Demolition

### Details:

- Owner: United States Coast Guard
- General Contractor: Edgewater
- Project Name: Demo Old Group Cape Hatteras Buildings
- Location: Hatteras Island, NC

### Description:

Demolition of entire Coast Guard Station, including removal of asbestos and Haz Mat containing materials, heavy demolition of twenty-two buildings, pool, site features and associated utilities. The final phase restored the site to green space and beach access parking for the community.

### DEMOLITION & ENVIRONMENTAL SERVICES
